

## Take My Word

Willie Nelson

Take my word for what I tell you  
I have never lied to you  
Pay no mind to what they're sayin'  
I have never been untrue  
Evil tongues in town  
Continue to prat aloud  
Their evil news  
You'll have to take my word  
When I tell you I love you  
I love you (I love you)

The power of gossip is always strengthen  
When it finds a respected ear  
If you listen the chances are greater  
That a thread of doubt may appear  
Evil tongues in town continue...

Evil tongues in town  
Continue to prat aloud  
Their evil news  
You'll have to take my word  
When I tell you I love you  
I love you I love you  
Take my word I love you  
Take my word I love you
