

Texas in My Soul

Willie Nelson

Amorillo, San Antone
Any old place I call my home
I got go
I got Texas in my soul

Dallas, Forth Worth, Saint Angelo
Houston, Austin or El Paso
I got to go
I got Texas In my soul

It is there I know my place is
I see only smiling faces, and so
Partner the rest of the world's not worth
A pound of good old Texas dirt
I got go
I got Texas in my soul

Corpus Christi, Del Rio
West of the Peagus or old Waco
I got to go
I got Texas in my soul

Sweetwater, Beaumont, Witchta Falls
Port Arthur, Brownsville
I hear you call
I got go
I've got Texas in my soul

(2x):

Where the tumbleweeds are growing
I know it's there that I'll be going, to stay
I've been a Texan since my birth
No place like it on this earth
I got go
I got Texas in my soul

(2x):

I got go
I got Texas in my soul
