

That's the Way Love Goes

Willie Nelson

I've been throwin' horseshoes
Over my left shoulder
I've spent most all my life
Searching for that four leaf clover
Yet you run with me
Chasing my rainbows
Honey, I love you too
That's the way love goes
That's the way love goes
Babe, that's the music God made
For the whole wide world to sing
It never gets old
It always grows
Losing makes me sorry
You say don't you worry
Honey, I love you too
And that's the way love goes

That's the way love goes babe...
