That's the Way Love Goes

Willie Nelson

I've been throwin' horseshoes Over my left shoulder I've spent most all my life Searching for that four leaf clover Yet you run with me Chasing my rainbows Honey, I love you too That's the way love goes That's the way love goes Babe, that's the music God made For the whole wide world to sing It never gets old It always grows Losing makes me sorry You say don't you worry Honey, I love you too And that's the way love goes

That's the way love goes babe...
