That's Why I Love Her So

Willie Nelson

The quiet way she sits there with her hand in mine That's why I love her so that's why I love her so And the way she's always tender with my mind That's why I love her so that's why I love her so In a crowded room you'll never know she's there Unless I need her and if I really need her She'll gladly tell the world how much she cares That's why I love her so that's why I love her so

In a crowded room...
That's why I love her so that's why I love her so
