## The Healing Hands of Time

## Willie Nelson

They're working while I'm missing you those healing hands of ti

And soon they'll be dismissing you from this heart of mine They'll lead me safely through the night and I'll follow as tho ugh blind

My future tightly clutched within those healing hands of time They let me close my eyes just then those healing hands of time And soon they'll let me sleep again those healing hands of time So already I've reached mountain peaks and I've just begun to c limb

I'll get over you by clinging to those healing hands of time I'll get over you by clinging to those healing hands of time
