The Maker

Willie Nelson

Oh, Oh Deep water
Black, and cold like the night
I stand with arms wide open
I've run a twisted mile
I'm a stranger
in the eyes of the maker

I could not see
for fog in my eyes
I could not feel
for the fear in my life
From across the great divide
In the distance i saw a light
Jean baptiste
walking to me with the maker

My body is bent and broken by long and dangerous leaps I can't work the fields of abraham and turn my head away I'm not a stranger in the eyes of the maker

Brother john
Have you seen the homeless daughters
standing there
with broken wings
I have seen the flaming swords
there over east of eden
burning in the eyes of the maker

oh river rise from your sleep
