

## The Party's Over

Willie Nelson

Turn out the lights  
The party's over  
They say that  
All good things must end  
Call it tonight  
The party's over  
And tomorrow starts  
The same old thing again

But the crazy crazy party  
Never seen so many people  
Laughing dancing  
Look at you you're having fun  
But look at me  
I'm almost cryin'  
That don't keep her love from dyin'  
Misery cause for me the party's over  
Turn out the lights...

Once I had a love undyin'  
I didn't keep it but I tried  
Life for me was just one party  
And then another  
I broke her heart so many times  
I had to have my parting wife  
I had to have my party  
Why broke her heart so many times  
But one day she said  
Sweetheart the party's over  
Turn out the lights...
