Time After Time

Willie Nelson

Lying in my bed I hear the clock tick And think of you Caught up in circles Confusion is nothing new

Flashbacks, warm nights Almost left behind Suitcases of memories, time after

Sometimes you picture me I'm walking too far ahead You're calling to me I can't hear what you've said

Then you say, "Go slow" I fall behind The second hand unwinds

If you're lost you can look and you will find me Time after time If you fall I will catch you, I'll be waiting Time after time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

After my picture fades And darkness has turned to gray Watching through windows You're wondering if I'm okay

Secrets stolen From deep inside The drum beats out of time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time

When you say, "Go slow" I fall behind The second hand unwinds

If you're lost you can look and you will find me Time after time If you fall I will catch you and I'll be waiting Time after time

If you're lost you can look and you will find me Time after time If you fall I will catch you and I'll be waiting Time after time

Time after time, time after time

Time after time, time after time Time after time, time after time After time, after time
