

To Each His Own

Willie Nelson

A rose must remain with the sun and the rain
Or it's lovely promise won't come true
To each his own
To each his own
And my own is you
What good is a song if
The words just don't belong
And a dream must be a dream for two
No good alone
To each his own
And my own is you
If a flame is to grow
There must be a glow
To open each door there's a key
I need you I know
I can't let you go
Your touch means too much to me
Two lips must insit and two more to be kissed
Or they'll never know what love can do
To each his own
I've found my own one and only you

If a flame is to grow
There must be a glow
To open each door there's a key
I need you I know
I can't let you go
Your touch means too much to me
Two lips must insit and two more to be kissed
Or they'll never know what love can do
To each his own
I've found my own one and only you
