

Too Sick to Pray

Willie Nelson

I've been too sick to pray, Lord
That's why we ain't talked in a while
It's been some of them days, Lord
I thought I was on my last mile

But I'm feelin' okay, Lord
And I'm glad that I called You today
Never needed You more
I woulda called You before
But I've been too sick to pray

Remember the family, Lord?
I know they will remember You+
And all of their prayers, Lord
They talk to You just like I do

Well, I reckon that's all, Lord
That's all I can think of to say
And thank You, my friend
We'll be talkin' again
If I'm not too sick to pray
