

Twilight Time

Willie Nelson

Heavenly shades of night are falling, it's twilight time
Out of the mist your voice is calling, it is twilight time
When purple colored curtains mark the end of day
I'll hear you, my dear, at twilight time

Deepening shadows gather splendor as day is done
Fingers of night will soon surrender the setting sun
I pray for evening, darling, till you're here with me
Together at last it's twilight time

Here in the afterglow of day
We keep our rendezvous beneath the blue
Here in the sweet and same old way
I fall in love again as I did then

Deep in the shadows your kiss will thrill me like days of old
Lighting the spark of love that fills me with dreams untold
I pray for evening, darling, till you're here with me
Together at last it's twilight time

Here in the afterglow of day
We keep our rendezvous beneath the blue
Here in the sweet and same old way
I fall in love again as I did then

Deep in the dark your kiss will thrill me like days of old
Lighting the spark of love that fills me with dreams untold
I pray for evening, darling, till you're here with me
Together at last it's twilight time
Together at last it's twilight time
