

# We Don't Run

Willie Nelson

We don't run, we don't compromise  
We don't quit, we never do  
We look for love, we find it in the eyes  
The eyes of me and the eyes of you

You are the road, you are the only way  
I'll follow you forever more  
We'll look for love, we'll find it in the eyes  
The eyes that see through all the doors

There is a train that races through the night  
On rails of steel that reach the soul  
Fueled by fire as soft as candle light  
But it warms the heart of a love grown cold

And we don't run and we don't compromise  
We don't quit, we never do  
We look for love, we find it in the eyes  
The eyes of me and the eyes of you

Words that feel, words that sympathize  
Words that heal and understand  
Say them now, let them materialize  
Say the words throughout the land

We don't run, we don't compromise  
We don't quit, we never do  
We look for love, find it in the eyes  
The eyes of me and the eyes of you

And we don't run and we don't compromise  
We don't quit, we never do  
We look for love, we find it in the eyes  
The eyes of me and the eyes of you
