

We Had It All

Willie Nelson

I can hear the wind a blowing in my mind
Just the way it used to sound
Through the Georgia pines
And you were there to answer when I called
You and me we had it all
Remember how I used to touch your hair?
While reaching for the feeling
That was always there

You were the best thing in my life
I can recall you and me we had it all
I know that we can never live those times again
So I let my dreams take me back
To where we have been
Then I'll stay with you girl as long as I can
Oh it was so good oh it was so good
Oh it was so good when I was your man

I'll never stop believing in your smile
Even though you didn't stay
It was all worthwhile
You were the best thing in my life
I can recall you and me we had it all
You and me we had it all
