## Who Do I Know in Dallas

## Willie Nelson

Who do I know in Dallas who can I call on the phone Who do I know in Dallas that will help me forget she's gone Shirley consoled me in Phoenix and Jeannie in old San Antone But who do I know in Dallas that will help me forget that I'm a lone

I can't spend the night without someone the lonelies will drive me insane

So who do I know in Dallas that will make me be happy I came Who do I know in Dallas that will make me be happy I came
