

# Why Are You Pickin' On Me

**Willie Nelson**

You could have your choice of guys at town why are you pickin'  
on me  
Just snap your fingers and they'll come around why are you pick  
in' on me  
I'm well aware of this game you've learned  
To love and then leave and show no concern  
And tomorrow you'll have other candles to burn  
So why are you pickin' on me

You could have your choice...  
Why are you pickin' on me
