

# Won't You Ride In My Little Red Wagon

Willie Nelson

Won't you ride in my little red wagon  
I'd love to pull you down the street  
And I know all the kids will be jealous  
When they see my playmate so sweet

Hold tight till we come to the hilltop  
Gonna coast down the hill, you and me  
Won't you ride in my little red wagon  
For you are my sweetheart to be

Hold tight till we come to the hilltop  
Gonna coast down the hill, you and me  
Won't you ride in my little red wagon  
For you are my sweetheart to be  
You are my sweetheart to be
