## Won't You Ride In My Little Red Wagon

Willie Nelson

Won't you ride in my little red wagon I'd love to pull you down the street And I know all the kids will be jealous When they see my playmate so sweet

Hold tight till we come to the hilltop Gonna coast down the hill, you and me Won't you ride in my little red wagon For you are my sweetheart to be

Hold tight till we come to the hilltop Gonna coast down the hill, you and me Won't you ride in my little red wagon For you are my sweetheart to be You are my sweetheart to be
