

## Wonderful Future

Willie Nelson

Today as I walk through my garden of dreams  
I'm alone in the sweet used-to-be  
My past and my present are one and the same  
And the future holds nothing for me  
Yesterday's kisses still burning  
And yesterday's mem'ries still find me  
Scenes from the past keep returning  
I've got a wonderful future behind me

You say there is happiness waiting for me  
But I know this is just fantasy  
Let me trade one tomorrows for one yesterday  
Live in my garden of dreams  
Yesterday's kisses still burning  
And yesterday's mem'ries still find me  
Scenes from the past keep returning  
I've got a wonderful future behind me
