

You'll Never Know

Willie Nelson

You'll never know just how much I love you
You'll never know just how much I care
And if I tried I still couldn't hide my love for you
You ought to know for heaven I told you so
A million or more times
You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now

You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
