## You'll Never Know

Willie Nelson

You'll never know just how much I love you You'll never know just how much I care And if I tried I still couldn't hide my love for you You ought to know for heaven I told you so A million or more times You went away and my heart went with you I speak your name in my every prayer If there is some other way to prove that I love you I swear I don't know how You'll never know if you don't know now

You went away and my heart went with you I speak your name in my every prayer If there is some other way to prove that I love you I swear I don't know how You'll never know if you don't know now
