

You Show Me Yours (And I'll Show You Mine)

Willie Nelson

If you're feeling salty I'm your tequila
If you've got the freedom well I've got the time
There ain't nothin' sweeter than naked emotions
So you show me yours fun and I'll show you mine

No ma'am I know this ain't all that you've ever been used to
You with your rings of your fingers and time on your hands
Sometimes it's nice to have somebody nice to be close to
God knows I've been there before you and I understand
If you're feeling salty...

I wish that I were the answer to all of your questions
Lord knows I know you wish you were the answer to mine
So darlin' if you ain't got a thing but a change of direction
Lord knows I know you'll be something I'm lucky to find
If you're feeling salty...
If you show me yours fun and I'll show you mine
