Oxygen

Willy Mason

I wanna be better than oxygen So you can breathe when you're drowning and weak in the knees I wanna speak louder than Ritalin For all the children who think that they've got a disease I wanna be cooler than t.v. For all the kids that are wondering what they are going to be We can be stronger than bombs If you're singing along and you know that you really believe We can be richer than industry As long as we know that there's things that we don't really need We can speak louder than ignorance Cause we speak in silence every time our eyes meet.

On and on, and on, and on it goes The world it just keeps spinning Until i'm dizzy, time to breathe So close my eyes and start again anew.

I wanna see through all the lies of society To the reality, happiness is at stake I wanna hold up my head with dignity Proud of a life where to give means more than to take I wan't to live beyond the modern mentality where paper is all that you're really taught to create Do you remember the forgotten america? Justice, equality, freedom to every race? Just need to get past all the lies and hypocrisy Make up and hair to the truth behind every face Then look around to all the people you see, How many of them are happy and free?

I know it sounds like a dream But it's the only thing that can get me to sleep at night I know it's hard to believe But it's easy to see that something here isn't right I know the future looks dark But it's there that the kids of today must carry the light.

On and on, and on, and on it goes The world it just keeps spinning Until i'm dizzy, time to breathe So close my eyes and start again anew.

If i'm afraid to catch a dream I weave your baskets and i'll float them down the river stream Each one i weave with words i speak to carry love to your relief.

I wanna be better than oxygen So you can breathe when you're drowning and weak in the knees I wanna speak louder than Ritalin For all the children who think that they've got a disease I wanna be cooler than t.v. For all the kids that are wondering what they are going to be We can be stronger than bombs If you're singing along and you know that you really believe We can be richer than industry As long as we know that there's things that we don't really need We can speak louder than ignorance Cause we speak in silence every time our eyes meet.

On and on, and on, and on it goes The world it just keeps spinning Until i'm dizzy, time to breathe So close my eyes and start again anew
