

Daniel

Wilson Phillips

Daniel is traveling tonight on a plane
I can see the red tail lights heading for Spain
Oh and, I can see Daniel waving goodbye
God it looks like Daniel
Must be the clouds in my eyes

They say Spain's pretty
Though I've never been
And Daniel says it's the best place that he's ever seen
Oh and, he should know 'cause he's been there enough
Lord I miss Daniel
Oh I miss him so much

Oh, Daniel my brother
you are older than me
Do you still feel the pain
of the scars that won't heal
Your eyes have died
But you see more than I
Daniel you're a star
in the face of the sky

I miss Daniel
Oh I miss him so much

Oh, Daniel my brother
you are older than me
Do you still feel the pain
of the scars that won't heal
Your eyes have died
But you see more than I
Daniel you're a star
in the face of the sky

Daniel is traveling tonight on a plane
I can see the red tail lights heading for Spain
Oh and, I can see Daniel waving goodbye
God it looks like Daniel
Must be the clouds in my eyes
Oh God,
It looks like Daniel
Must be the clouds in my eyes
