I Can Hear Music

Wilson Phillips

Ahhhhhh oooooo

This is the way I always dreamed it would be The way that it is, oh oh When you are holding me I never had a love of my own Maybe that's why when we're all alone

I can hear music I can hear music The sound of the city baby seems to disappear I can hear music Sweet sweet music Whenever you touch me baby Whenever you're near

Lovin' you It keeps me satisfied And I can't explain, oh no The way I'm feeling inside You look at me we kiss and then I close my eyes and here it comes again

I can hear music I can hear music The sound of the city baby seems to disappear I can hear music Sweet sweet music Whenever you touch me baby Whenever you're near

I hear the music all the time, yeah I hear the music, hold me tight now baby I hear the music all the time I hear the music I hear the music (baby)

Ahhhhh

I can hear music I can hear music The sound of the city baby seems to disappear I can hear music Sweet sweet music Whenever you touch me baby Whenever you're near
