

# I Wish It Could Be Christmas Every Day

Wilson Phillips

When the snowman brings the snow  
Well, you just might like to know  
He's put a great big smile  
On somebody's face

If you jump into your bed  
Quickly cover up your head  
Well, don't you lock the doors  
You know that sweet Santa Claus  
Is on the way

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
And let the bells ring out for Christmas

When we're skating in the park  
If the storm cloud paints it dark  
Then your rosy cheek's  
Gonna light my merry way

Now the frosty paws appear  
And it's frozen up to here  
So we'll lie by the fire  
Til' the sleep simply melts 'em all away

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
(Christmas every day)  
And let the bells ring out for Christmas

When the snowman brings the snow  
Well, he just might like to know  
He's put a great big smile  
On somebody's face

So if Santa brings that sleigh  
(Santa brings that sleigh)  
All along the Milky Way  
I'll sign my name on the rooftop in the snow  
Then he may decide to stay

Well, I wish it could be Christmas every day  
(Ooh, don't you know that)  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
(Christmas every day)  
And let the bells ring out for Christmas
