Wouldn't It Be Nice

Wilson Phillips

Wouldn't it be nice if we were older Then we wouldn't have to wait so long And wouldn't it be nice to live together In the kind of world where we belong

You know its gonna make it that much better When we can say goodnight and stay together

Wouldn't it be nice if we could wake up In the morning when the day is new And after having spent the day together Hold each other close the whole night through

Happy times together we've been spending I wish that every kiss was neverending Wouldn't it be nice

Maybe if we think and wish and hope and pray it might come true Baby then there wouldn't be a single thing we couldn't do We could be married And then we'd be happy

Wouldn't it be nice

You know it seems the more we talk about it It only makes it worse to live without it But lets talk about it Wouldn't it be nice

Good night my baby Sleep tight my baby
