

# Hey Jude

Wilson Pickett

Hey Jude, don't make it bad, take a sad song and make  
it better  
Remember to let her in your heart then you can start to  
make it better

Hey Jude, don't be afraid, you were made, made to go  
out and get her  
The minute you let her under your skin, then you'll  
begin to make it better

Any time you feel the pain, Hey Jude, refrain, don't  
carry the world upon  
Your shoulder, for you know that it's a fool who plays  
it cool by makin  
The world, a little bit colder

Hey Jude, don't let me down, you found her, now go on  
out and get her  
But remember, to let her in your heart, then you can  
start to make it better

So let it out and let it in, Hey Jude, begin, you  
waited for someone to perform with  
And don't you know that it's just you, Hey Jude, you  
do, the movements you need is  
On your shoulder

Hey Jude, don't make it bad, take a sad song and make  
it better , just remember  
To let her under your skin, then you'll begin to make  
it better

Ow! Ow! Hey Jude! Ow! Hey, Hey! Yeah! It's gonna be  
alright!  
Hey, Jude, Jude, you'll be alright, Hey Hey Hey Hey  
You'll be alright Jude, Heeey, Heeey, Heeey, It's got-  
ta, it's got-ta, it's got-ta  
Yeah, Hey Jude! (Na, na, na, na, na, na, na, na, na,
