

# I'm Gonna Cry (Cry Baby)

Wilson Pickett

Cry, cry, cry baby, cry baby

I knew from the start  
That you would break my heart, oh yeah  
I wanted you so bad  
Oh, you made me sad, child, oh yeah

I'm gonna cry, yeah, yes, I  
(Cry baby, cry baby)

Well, I thought I could love you  
Walk out and forget, yes, I did  
And now I can't have you, baby  
You know I'm all upset, child, oh, yeah

And I'm gonna cry, yes, I, yes, I  
(Cry, cry baby, cry baby)

If you knew she didn't love you, why did you kiss her lips?  
I never knew love could be this way, baby  
If you knew she didn't love you, why didn't you resist?  
This kinda woman is so doggone hard to find

I'm gonna cry, yes, I, yes, I  
(Cry, cry, cry baby, cry baby)  
(Cry baby, cry baby, cry baby)  
(Cry, cry, cry baby, cry baby)

If you knew she didn't love you, why did you kiss her lips?  
I never knew love could be this way, baby  
If you knew she didn't love you, why didn't you resist?  
This kinda woman is so doggone hard to find

Cry, cry, cry baby  
(Yes, I, yes, I)  
Cry baby, cry, cry, cry, cry baby  
(I'm gonna cry)

Cry, cry, cry, cry baby  
(I'm gonna cry)  
Cry, cry, cry, cry baby  
(Girl, in the morning)

Cry, cry, cry, cry baby  
(Don't you know I'm gonna cry?)  
Cry, cry, cry, cry baby  
Cry, cry, cry, cry baby
