

# She's Lookin' Good

Wilson Pickett

Huh, look a-here!  
You've got the kind of lovin' make a man lose his mind  
You've got that little somethin' that make me know that you're mine  
Look here, you're lookin' good, you're lookin' so good  
All right, you're lookin' good like I knew that you would

All right, look a-here!  
When you call my name, baby, you call me Mr. Clean  
I'm gonna give you lovin' that you ain't never seen  
Hey you're lookin' good, you're lookin' so good  
All right, you're lookin' good like I knew that you would

All right, look a-here!  
When you wear your wigs, baby, you wear your dresses tight  
You wear your 44, baby, when you step out late at night  
You're lookin' good, oh so good  
You're lookin' good like I knew that you would

All right, look a-here!  
Mama get your mojo, papa get your gun  
I'm gonna steal your daughter, I'm gonna be your son  
She's lookin' good, ah lookin' so good, look here  
She's lookin' good like I knew that she would

All right, look a-here now! Huh huh all right  
One thing, she make me all right, make it all right  
She make my heart high, hey hey hey  
She make me feel good, she make me feel good
