

Something You Got

Wilson Pickett

Something you got
Makes me work all day
Something you got
Makes me bring home all my pay
Something you got
Say you ought to know now
Whoa, whoa, my, my
Whoa, you know I love you so

Something you got
Keep me home every night
Something you got
Makes everythin' all right
Something you got
Say you ought to know now
You ought to know now
Whoa, whoa, my, my
Whoa I love you so
