

Time Is On My Side

Wilson Pickett

Time is on my side, yes, it is.
Time is on my side, yes, it is.
Now you were saying that you want to be free
But you'll come running back; you'll come running back,
You'll come running back to me.

Time is on my side, yes, it is.
Time is on my side, yes, it is.
You're searching for good times but just wait and see,
You'll come running back; you'll come running back,
You'll come running back to me.

Go ahead, go ahead and light up the town!
Baby do everything your heart desires.
Remember, I'll always be around.
And I know like I told you so many times before
You're gonna come back, baby..
You're gonna come back knocking right on my door.

Time is on my side, yes, it is.
Time is on my side, yes, it is.
'Cause I got the real love, the kind that you need.
You'll come running back, you'll come running back,
You'll come running back to me.

Time, time, time is on my side, yes, it is.
Time is on my side, yes, it is.
