Blind Revolution Mad

Into this world Little boy brave Charity heart Faithfully plays Heal the scars Unto his eyes Salvage the goodness Of dreams never lived Dreams never died Again and again Again and again Haunted by the trust of a child With no place to go now Little boy brave Wanders the streets Faithfully plays But his broken arrows Once filled with pride Aimed and missed At the dreams never lived Dreams never died Again and again Again and again Haunted by the trust of a child Never give in Never give up Little boy brave Never lived Never died Appears to be Blind Revolution Mad The mercy ends Where the mercy began Seems justified I'm turnin' this around Jawbreaker Lawmaker Have it your way... Ye-ah... Ye-ah... Ye-ah... Campaign smokescreen Glorifies the mainstream Cities on remote control Meanwhile vigilante gangs Dig their fangs into the streets They've overthrown While plastic faces Run for king of this Disassociation land I'm dying to find Anyone who understands Behold...

One more Blind Revolution Mad One more chance of a lifetime

Winger

Rage runs rampant Always been abandoned Killin' for some pocket change Blames being force fed rules Governed by fools Slammin' you against the grain And the nation's glued to CNN To watch their own creation Behold

One more Blind Revolution Mad One more chance of a lifetime One more Blind Revolution Mad

Fee Fi Fo Fum One for all and all for one Don't try to stop me I've already gone crazy One for all and all for one Overthrow your kingdom come Don't try to stop me You're the reason I'm crazy Behold

One more Blind Revolution Mad One more chance of a lifetime One more Blind Revolution Mad Mind in the gutter turned another boy bad Oh behold
