

## Alley Cat

Wingnut Dishwashers Union

Tonight I'm an alley cat yeah,  
More afraid of you than you are of me  
But if you leave some food out on the porch,  
I might stay till there's nothing left to eat  
I could sit alone in a lunch room in high school  
If I wasn't sitting alone at a punk show in Asheville

Tonight the upper left hand side of my chest  
Has a hole as big as the one in my pocket  
I mighta kissed you wearing a bulletproof vest  
But hell, you kiss like a rocket  
I'd be a teenage virgin jerking off in my bedroom  
If I wasn't a 20 year old virgin that didn't have a bedroom
