

# Do You Wanna Go To Party Town

Wingnut Dishwashers Union

Well I'm afraid that the circles we've been drinking ourselves  
in  
Aren't big enough for the vowels that we try to fit inside of t  
hem  
When I was young I drank too much and I'd be lying if I said  
I didn't feel so god damn young tonight  
Maybe too young  
To ask what's on my mind  
Like if freedom means doing what you want well  
Don't we gotta want something?  
And wont you tell me that  
We want something more than just more beer  
Than just more beer!  
And on the night that I play my last show  
I'll be screaming so hard that my heart explodes!  
And I'll be singing  
Yea I'll be singing we are free  
Yea we are free!  
Oh but wont you promise me  
That we wont ever forget what that means  
I know it's hard to give a shit sometimes  
But promise me we'll always try!  
Cause I don't wanna hate you  
And I don't wanna hate me  
And I don't wanna have to hate everything anymore
