

Beware My Love

Wings

Can't say I've found out
I can't tell you what it's all about
Don't know who does
I tell you to beware, my love

Beware, my love
Beware, my love
Beware, my love
Beware, my love
Beware, my love

Oh, oh, oh
No, no, no
I must be wrong, baby, yeah
But I don't believe that he's the one
But you insist I must be wrong, I must be wrong
I have to leave and when I'm gone
I'll leave my message in my song, that's right

Beware, my love, he'll bowl you over
Beware, my love before you're much older, hey
He'll sweep you up under his carpet
You'd be in luck if you could stop it, c'mon now

Beware, my love
Let me tell you

Well, he'll wear you out and in a minute
You'll hear a shout and then you'll be in it
So, so beware my love, yeah, 'cause he'll take you under
Beware, my love, the sound of his thunder, yeah

I don't believe that he's the one
But you insist I must be wrong, I must be wrong
But I have to leave and when I'm gone
I'll leave my message in my song, that's where I'm gonna leave it

Beware, my love, don'cha know he'll bowl you over
Beware, my love before you're much older, hey
Well, he'll wear you out and in a minute
You'll hear a shout and then you'll be in it, baby gonna leave it

Beware, beware, my love
Any minute
I don't know if I can stand it anymore
That you better be there

[illegible]

Beware, my love
Beware, my love
Beware, my love
Beware, my love
Beware, my love
