

Said farewell to my last hotel
It was never much kind of abode,
Glasgow town never brought me down
When I was heading out on the road,
Carlisle city never looked so pretty
And the Kendal freeway's fast.
Slow down driver, want to stay alive
I want to make this journey last

Helen - Hell on wheels
Ain't nobody else gonna know the way she feels
Helen - Hell on wheels
And they never gonna take her away.

M6 south down to Liverpool
Where they play the west coast sound
Sailor Sam he came from Birmingham
But he never will be found.
Doing fine when a London sign
Greets me like a long lost friend,
Mr Motor won't you check her out,
She's got to take me back again.

Helen - Hell on wheels
Ain't nobody else gonna know the way she feels
Helen - Hell on wheels
And they never gonna take her away.

Got no time for a rum and lime
I wanna get my right foot down
Shake some dust off of this old bus
I gotta get her out of town
Spend the day upon the motorway
Where the carburettors blast
Slow down driver, wanna stay alive,
I want to make this journey last.

Helen - Hell on wheels
Ain't nobody else gonna know the way she feels
Helen - Hell on wheels
And they never gonna take her away
