

## Letting Go

## Wings

Ah, she tastes like wine  
Such a human being so divine  
Oh she feels like sun  
Mother nature look at what you've done

Oh I feel like letting go  
Oh I feel like letting go.

Ah, she looks like snow  
I want to put her in a Broadway show  
Ah she'll dance and dine  
Like a lucifer, she'll always shine

Oh I feel like letting go  
Oh I feel like letting go.

Oh I feel like letting go.

Ah, she sings it so  
I want to put her on the radio  
One day and there you are  
Ladies and Gentleman -

A brand new star.

Oh I feel like letting go  
Oh I feel like letting go.
