

Love in Song

Wings

My heart cries out for love
and all that goes with loving
Love in song - love in song.

My, you're so fine
When love is mine
I can't go wrong,
Love in song - Love in song

I can see the places that
we used to go to now
Happiness in the homeland

Happiness in the homeland

My eye cries out
a tear still born
Misunderstanding
Love in song - love in song

I can see the places that
we used to go to now
Happiness in the homeland

Happiness in the homeland

My, you're so fine
When love is mine
I can't go wrong,
Love in song - Love in song - Love in song.
