

## Love in Song

Wings

My heart cries out for love  
and all that goes with loving  
Love in song - love in song.

My, you're so fine  
When love is mine  
I can't go wrong,  
Love in song - Love in song

I can see the places that  
we used to go to now  
Happiness in the homeland

Happiness in the homeland

My eye cries out  
a tear still born  
Misunderstanding  
Love in song - love in song

I can see the places that  
we used to go to now  
Happiness in the homeland

Happiness in the homeland

My, you're so fine  
When love is mine  
I can't go wrong,  
Love in song - Love in song - Love in song.
