I've waited all my life for you
Hold me tight
Take care of me and I'll be right

Hold me tight, hold me tight
Hold me tight, hugga me right
Hold me tight, squeezea me tight
Hold me tight, hugga me right
Hold me tight, Hold me tight, Hold me tight

You won't be going out tonight
Candlelight
Make love to me and make it right

Hold me tight, Hold me tight
Hold me tight, Hugga me right
Hold me tight, Hold me tight
Hugga me right, Hold me tight,
Hold me tight, Hold me tight

Well, hold me tight, Hold me tight
Hold me tight, Hugga me right
Hold me tight, Squeezea me tight
Hold me tight, Hugga me right
Hold me tight, Hold me tight

Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite

Won't you come out tonight
When the time is right
Oh why do you fight that feeling in your heart
Don't you know that inside
There's a love you can't hide
So why do you fight that feeling in your heart

Oh lazy dynamite (3x)

Oh why do you fight that feeling in your heart
Don't you know that inside
There's a love you can't hide
So why do you fight the feeling in your heart

Oh lazy dynamite (3x)

I can't get over myself
Falling into the hands of love
Just can't imagine myself
Falling head over heels in love

But when I saw you last night
I knew for the first time
That you were the one I'd been dreaming of

I can't get over myself

Falling into the hands of love
Falling into the hands of love

But when I saw you last night
I knew for the first time
That you were the one I've been dreaming of

I can't get over myself
Falling into the hands of love
Falling into the hands of love
Love sweet love

But when I saw you last night
I knew for the first time
That you were the one I'd been dreaming of

I can't get over myself
Falling into the hands of love
Falling into the hands of love
Love sweet love.

There may be a powercut,
And the candles burn down low
But something inside of me
Says the bad news isn't so

I may never tell you
But baby you should know
There may be a miracle
And baby I love you so etc.

I may never tell you
But baby you should know
There may be a miracle
And baby I love you so etc.
