

## Must Do Something About It

Wings

I've just seen another sunset on my own  
All day long I've been alone  
And I must do something about it  
Yes, I must do something about it

Played another losing card game with myself  
Lonely joker on the shelf  
And I must do something about it  
Yes, I must do something about it

No one on the party line, no one seems to need a dime  
No one even knows that I'm feeling this way  
No one seems to need my vote, no one has to change a note  
No one here to hold my coat, oh what a day

I've just watched another movie on TV  
No one's in the house but me  
And I must do something about it  
Yes, I must do something about it  
Oh, oh, something about it

I've just seen another sunset on my own  
All day long I've been alone  
And I must do something about it  
Yes, I must do something about it

Played another losing card game with myself  
Lonely joker on the shelf  
And I must do something about it  
Yes, I must do something about it

No one on the party line, no one seems to need a dime  
No one even knows that I'm feeling this way  
No one seems to need my vote, no one has to change a note  
No one here to hold my coat, oh what a day

I've just watched another movie on TV  
No one's in the house but me  
And I must do something about it  
Yes, I must do something about it  
Oh, oh, something about it
