

Must Do Something About It

Wings

I've just seen another sunset on my own
All day long I've been alone
And I must do something about it
Yes, I must do something about it

Played another losing card game with myself
Lonely joker on the shelf
And I must do something about it
Yes, I must do something about it

No one on the party line, no one seems to need a dime
No one even knows that I'm feeling this way
No one seems to need my vote, no one has to change a note
No one here to hold my coat, oh what a day

I've just watched another movie on TV
No one's in the house but me
And I must do something about it
Yes, I must do something about it
Oh, oh, something about it

I've just seen another sunset on my own
All day long I've been alone
And I must do something about it
Yes, I must do something about it

Played another losing card game with myself
Lonely joker on the shelf
And I must do something about it
Yes, I must do something about it

No one on the party line, no one seems to need a dime
No one even knows that I'm feeling this way
No one seems to need my vote, no one has to change a note
No one here to hold my coat, oh what a day

I've just watched another movie on TV
No one's in the house but me
And I must do something about it
Yes, I must do something about it
Oh, oh, something about it
