

# My Carnival

Wings

It's my carnival, it's a lovely day, well, it's my carnival, it's a lovely day.

With all you people getting ready to play, I wanna hear you say  
,  
come on down, this is my carnival, it's a lovely day.

It's my carnival, it's a lovely day, this is my carnival, it's a lovely day.

With all you people, (all right!) getting ready to play, (okay!  
)

I wanna hear you say, come on down, it's my carnival, it's a lovely day.

And you can hear the brassmen play.

It's my carnival, it's a lovely day, ooh, this is my carnival, it's a lovely day.

With all you people, (all right!) getting ready to play, (okay!  
)

I wanna hear you say, come on down, this is my carnival and it's a lovely day.

Don't you feel it in the way the guitar play?

(My carnival) oh yeah, (it's a lovely day) you got it, sisters,  
you got it, brothers.

(My carnival) and it's a lovely day.

With all you people, (all right!) getting ready to play, (okay!  
)

I wanna hear you say, come on down, this is my carnival, it's a lovely day..
