## Wings

Whats that man holding in his hand?  
He looks a lot like a guy I knew way back when  
Its silly willy with the Philly band  
Could be....OO-ee.....

Whats that man movin' cross the stage?  
It looks a lot like the one used by Jimmy Page  
Its like a relic from a different age  
Could be.....OO-ee.....

If there's a ROCK SHOW  
at the Concertgebouw  
They've got long hair  
at the Madison Square  
You've got Rock and Roll  
at the Hollywood Bowl,  
we'll be there....Oh yeah....

The lights go down, they're back in town O.K.  
Behind the stacks you glimpse an axe  
The tension mounts you score an ounce Ole!  
Temperatures rise as you see the whites of their eyes

If there's a ROCK SHOW  
at the Concertgebouw  
They've got long hair  
at the Madison Square  
You've got Rock and Roll  
at the Hollywood Bowl,  
we'll be there....Oh yeah....

In my green metal suit I'm preparing to shoot up the City  
And the ring at the end of my nose makes me look rather pretty  
Its a pity there's nobody here to witness the end  
Save for my dear old friend and confidante, Mademoiselle Kitty

Whats that man movin' to and fro?  
That decibel meter doesn't seem to be reading low.  
But they was louder at the Rainbow  
Could be....OO-ee....

If there's a ROCK SHOW  
at the Concertgebouw  
They've got long hair  
at the Madison Square  
You've got Rock and Roll  
at the Hollywood Bowl  
We'll be there.... Oh yeah....

If there's a ROCK SHOW....  
If there's a ROCK SHOW....  
If there's a ROCK SHOW....
