

## Some People Never Know

Wings

No one else will ever see how much faith you have in me,  
Only fools would disagree that it's so,  
Some people never know.

Like a fool I'm far away,  
Ev'ry night I hope and pray  
I'll be coming home to stay and it's so  
Some people never know.

Some people can sleep at night time,  
Believing that love is a lie.  
I'm only a person like you, love,  
And who in the world can be right  
All the right time,  
I know I was wrong,  
Make me right, right.

Only love can stand the test,  
Only you outshine the rest,  
Only fools take second best, and it's so,  
Some people never know.
