

The Long And Winding Road

Wings

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
Don't leave me standing here
Lead me to your door

The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day
Don't keep me waiting here
Let me know the way

Many times I've been alone
And, many times I cried
Any way you'll never know
The many ways I tried

But, still they lead me back
To the long and winding road
You left me standing here
A long, long time ago
Don't keep me standing here
Lead me to your door

But, still they lead me back
To the long and winding road
You left me standing here
A long, long time ago
Don't keep me waiting here
Lead me to your door
