## Wintersleep

So glad to be back home  
Be back home  
So glad to be back home  
Be back home  
I can't stay too long  
Be back home  
Some glad to be back home  
Be back home

The winter hit so hard  
Hit so hard  
The winter hit so hard  
Hurt so hard  
Every little part  
Hurt so hard  
The winter hit so hard  
Hit so hard

So glad to be back home  
Be back home  
So glad to be back home  
Be back Home  
So glad to be back home  
Be back home  
So glad to be back home  
Be back home
