

Coming Down

Wipers

It's on my mind yeah
Every single time
When I think about it
I think I'm losing my mind
My mind
My Mind
Coming down
Down
Down
Down
Down

Your Mind spins around yeah
At two thousand miles an hour
You can't be caught
Any time you fly
You fly
You fly
Coming down
Down
Down
Down
Down

It's on my mind yeah
Every single time
When I think about ya
I think I'm losing your mind
Your mind- Your mind
Coming down -Down-Down-Down-Down
