

Land Of The Lost

Wipers

Get sick and tired
Of waiting around
This place just gets me
Down to the ground

A bunch of people flashing down the highway to hell
Where it's gonna take them, no one can tell...

You know you're gonna get there
At any cost
Just take a trip to the
Land of the lost...yeah

Get sick and tired of losing my mind
Get so messed up
All of the time
See the 4 walls, and hear the inner beat
Fall from the sky, flash to the sea....

You know you're gonna get there
At any cost
Just take a trip to the
Land of the lost...yeah
